

Matt has joined Zoltek Commercial Real Estate Services “CRES” team as a Senior Associate. He is a skilled commercial real estate professional with over 7 years of experience.

Matt began his real estate career at KW Commercial in 2015.

He represented various clients and completed several transactions involving Mixed Use, Investment, Retail, and Land Development Properties. Matt quickly became one of the top agents in an office with over 300 agents. After KW Commercial, Matt worked at Bennett Realty & Development, a fully integrated commercial real estate brokerage firm and development company. He successfully negotiated sales/leases for various commercial properties, including mixed use, retail, hospitality, land and more.

Matt is looking forward to becoming an integral part of the Zoltek CRES team.
