

**Erin** joined the Zoltek Commercial Real Estate Services team with a background in interior design and office coordination. She holds an Associate of Fine Arts in Interior Design from the County College of Morris and is currently pursuing her Bachelor of Fine Arts in Interior Design at the New York School of Interior Design (NYSID). In addition, Erin is expanding her expertise in the real estate field through her enrollment at Kaplan Real Estate Education.

Her professional experience in office coordination, management, and administrative services has equipped her with strong skills in organization, project management, and client relations—strengths that complement her approach to both interior design and real estate. Seeking to grow in a new professional direction, Erin joined the Zoltek CRE team in March 2025 as an Administrative and Marketing Coordinator. In this role, she supports the firm’s marketing initiatives and plays a key role in managing daily office logistics. Whether designing thoughtful interiors or contributing to real estate operations, Erin brings creativity, efficiency, and attention to detail to every project she undertakes.
